

## CABERNET SAUVIGNON

LIVERMORE VALLEY • SAN FRANCISCO BAY

### WETMORE VINEYARD

2016

#### VINEYARD

Our Estate Grown Wetmore Vineyard Cabernet Sauvignon is named after one of the Livermore Valley's most prominent pioneers, California's first agricultural commissioner renowned for planting vine cuttings from many of Bordeaux's top Châteaux in the temperate Livermore Valley in the 1880s. The descendants of vines Wetmore brought from France thrive today in the gravelly loam soils of our certified sustainable estate vineyards between the Arroyo del Valle and the Arroyo Mocho, streams flowing from the southern hills of the Livermore Valley. From their origins in Margaux in the 19th century to the present, only the best of these Cabernet Sauvignon vines have been selected for each new generation planted. And they are prized for making wines with intensity, depth of flavor, and rich, lush body.

#### TASTING NOTES

Our 2016 Wetmore Vineyard Cabernet Sauvignon is a great representation of a Livermore Valley Cabernet, bringing forth dark berry notes such as blackberry, complemented by pink peppercorn and a layer of cocoa dust. This wine has a velvety acidity and would be great to drink immediately or store in your cellar.
